Ignition Entertainment Limited

Director's report for the year ended 31 March 2016

The Director presents his report and audited financial statements of Ignition Entertainment Limited ('the Company') for the year ended 31 March 2016.

Business review and future developments

The UTV Group (of which the Company is a subsidiary) was acquired by The Walt Disney Company in February 2012. Upon acquisition, the Director completed a strategic review of the operations of the Company and its future development, and took the decision to curtail operations.

Due to the cessation of trade, the Director has decided to place the Company into liquidation, although a formal appointment of a liquidator has not been made.

It is the current intention of the Director to windup and liquidate the Company. Accordingly, the going concern basis of accounting is no longer appropriate and the financial statements have been prepared on a basis other than going concern as described on page 12.

The Company recharged expenses of £26,492 (2015: £19,722) to the Company's immediate parent company (in line with an indemnification letter obtained in the previous financial year), in relation to net costs incurred in the year, which were not accrued in the prior year to closure.

In addition, the Company transferred £277,907 (2015: £Nil) from amounts due to its immediate parent undertaking to the capital contribution reserve on the agreement of IG Interactive Entertainment Limited, its immediate parent undertaking.

Results and dividends

The profit for the financial year amounted to £3,524 (2015: £49,467 profit) which has been transferred to reserves.

The Director does not recommend the payment of a dividend (2015: £nil).

Principal risks, uncertainties and Key Performance Indicators ("KPIs")

The Company has ceased trading. The Company is not a going concern and is in the process of realising its assets and settling its liabilities. Accordingly, the Director does not believe it is necessary to provide details of KPIs in order to understand the basis of realising its current position.

Financial risk management

The Company's operations (although curtailed) expose it to financial risks. The most significant are described below.

- (1) Credit risk: The Company has implemented policies that require appropriate credit checks on potential customers before sales are made. The amount of exposure to any individual counterparty is subject to a limit, which is assessed continually by the Company's credit control function.

Ignition Entertainment Limited

Director's report for the year ended 31 March 2016 (continued)

Financial risk management (continued)

- (2) Foreign exchange risk: The Company may hold assets and liabilities denominated in foreign currencies. No derivative financial instruments are used to manage the risk of fluctuating exchange rates, so no hedge accounting is applied. The Company has in place a foreign exchange policy, driven by the ultimate parent company, The Walt Disney Company, and will reconsider the appropriateness of this policy should operations change in nature.

Directors

The person who served as Director of the Company during the year and up to the date of signing the financial statements was as follows:

J Talwar

There was no qualifying third party indemnity provision in force, for the benefit of the Director, at any time during the financial year.

Statement of Director's responsibilities

The Director is responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Director to prepare financial statements for each financial year. Under that law the Director has prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising Financial Reporting Standard 102 *The Financial Reporting Standard Applicable in the UK and Republic of Ireland* (FRS 102), and applicable law). Under company law the Director must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify its shareholders in writing about the use of disclosure exemptions, if any, of FRS 102 used in the preparation of financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business (see Note 2).

The Director is responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. The Director is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Director is responsible for the maintenance and integrity of the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to auditors

- So far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the Director as on the date of signing the report has taken all the steps that he ought to have taken as a Director in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

On behalf of the Board on 28 June 2016.

Report on the financial statements

Our opinion

In our opinion, Ignition Entertainment Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 31 March 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Emphasis of matter - Basis of preparation

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 2 to the financial statements concerning the going concern basis of accounting. During the period ended 31 March 2012, the Director decided that the Company would cease trading. Accordingly, the going concern basis of accounting is no longer appropriate and the financial statements have been prepared on a basis other than going concern as described in note 2 to the financial statements. No adjustments were necessary to write down assets to their recoverable value, to reclassify fixed/non-current assets and long-term/non-current liabilities as current assets and current liabilities and to provide for liabilities arising as a result of the decision to cease trading/liquidate the entity as at 31 March 2016 as these were taken in prior years.

What we have audited

The financial statements, included within the Director's report and financial statements (the "Annual Report"), comprise:

- the Statement of financial position as at 31 March 2016;
- the Income Statement for the year then ended;
- the Statement of changes in equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the Director has made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Director's report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Director's remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of Director's remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the Director was not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the Director

As explained more fully in the Statement of Director's responsibilities set out on page 4, the Director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

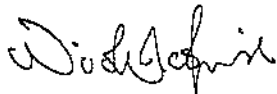

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the Director; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the Director's judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Ignition Entertainment Limited

Notes to the Financial Statements for the year ended 31 March 2016

1 Company information

Ignition Entertainment Limited is a limited liability company incorporated in the United Kingdom. The registered office is 9400 Garsington Road, Oxford Business Park, Oxford OX4 2HN.

The principal activity of the Company was the development, publishing and distribution of video games.

2 Accounting policies

The financial statements are prepared in accordance with the Companies Act 2006, the special provisions of Part 15 of the Companies Act 2006 related to small companies and applicable accounting standards in the United Kingdom. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

a) Basis of accounting

The financial statements have been prepared in accordance with applicable UK accounting standards, including Financial Reporting Standard 102- 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ('FRS 102')', and with the Companies Act 2006. The financial year ended 31 March 2016 is the first year in which the financial statements have been prepared under FRS 102. The date of transition is 1 April 2015.

The financial statements have been prepared under the historical cost convention less impairment recognised in previous years and in accordance with the Companies Act 2006.

The Company ceased trading during the financial year ended 31 March 2012 following acquisition of the UTV Group (of which the Company is a subsidiary) and a strategic review of operations of the Company. Accordingly, the going concern basis of accounting is no longer appropriate as at 31 March 2016. As required by FRS 18.21 and as permitted by SI 2008/420 Schedule 1 (10) (2), the Director has prepared the financial statements on the basis that the Company is no longer a going concern. No adjustments were necessary to write down assets to their recoverable value, to reclassify fixed/non-current assets and long-term/non-current liabilities as current assets and current liabilities and to provide for liabilities arising as a result of the decision to cease trading/liquidate the entity as at 31 March 2016 as these were made in prior years.

Any costs which are payable by the Company are reimbursed by IG Interactive Entertainment Limited, its immediate parent (Note 14) under the indemnity arrangement in place between the two parties.

The principal accounting policies, which have been applied consistently throughout the year, are set out below and, where necessary, have been updated to include any policies which are now considered significant given the presentation of the financial statements as at 31 March 2016 on a non-going concern basis.

The financial statements contain information about Ignition Entertainment Limited as an individual Company and do not contain consolidated financial information as the parent of a group. The Company is a wholly owned subsidiary of a group headed by The Walt Disney Company and is included in the consolidated financial statements of that company, which are publicly available. Consequently, the Company is exempt under section 401 of the Companies Act 2006 from preparing consolidated financial statements.

Under the provisions of FRS 102, the Company has utilised the following disclosure exemptions:

- a) The requirement to prepare a cash flow statement
- b) The requirement to provide certain financial instruments disclosures

Ignition Entertainment Limited

Notes to the Financial Statements for the year ended 31 March 2016 (continued)

2 Accounting Policies (continued)

b) Turnover

Turnover represents the invoiced value of goods and services supplied by the Company, net of value added tax and trade discounts. Revenue in respect of the sale of video games is recognised at the point of supplying the completed game software to the distributor, which in turn has the responsibility for the manufacture of the game and subsequent sale to the retail customer and retains the credit and pricing risk associated with the onward sale. In this situation revenue is measured on a net income basis, excluding associated manufacture costs and other related amounts under the contract. Where appropriate, price discount provisions are recognised in accordance with contractual terms.

Turnover also includes the sale of intellectual property, which is recognised at the point risk and rewards of ownership are transferred.

c) Foreign currencies

Transactions in foreign currencies are translated using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are expressed in sterling at the appropriate rates ruling at the balance sheet date. All foreign exchange gains and losses are taken to the profit and loss account.

d) Financial instruments

Cash

Cash comprises cash at bank and in hand, and bank overdrafts where there is a right of offset, which have a maturity of 90 days or less at date of acquisition.

e) Taxation

Corporation tax payable is provided on taxable profits at the current rate.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

f) Fixed asset investments and investment income

Fixed asset investments are stated at historical cost. Provision is made where in the opinion of the Director an investment is impaired. Income from investments is included to the extent of dividends and distributions received. Impairment reviews are performed when there has been an indication of potential impairment.

Ignition Entertainment Limited

Notes to the Financial Statements for the year ended 31 March 2016 (continued)

3 Turnover

Turnover is attributable to one activity, being the development, publishing and distribution of video games. Turnover in the year relates to residual amounts received under contracts which ended in the financial year.

Factors affecting tax charge for year

The tax assessed for the year is lower (2015: lower) than the standard rate of corporation tax in the UK for the year ended 31 March 2016:20% (2015: 21%). The differences are explained below:

| | 2016 £ | 2015 £ |
|--|--------------|---------------|
| Profit on ordinary activities before tax | 3,524 | 49,467 |
| Standard rate of corporation tax in the UK | 20% | 21% |

| Movement in deferred tax not recognised | (59,424) | - |
| Adjustment due to change in corporation tax rate | - | - |
| Total tax charge | - | - |

Factors that may affect future tax expense

The Finance Act 2013 received Royal Assent on 17 July 2013. It included provisions to reduce the main rate of corporation tax from 23% to 21% with effect from 1 April 2014 and to 20% from 1 April 2015.

The Finance Act 2015 received Royal Assent on 18 November 2015. It included provisions to reduce the main rate of corporation tax from 20% to 19% with effect from 1 April 2017 and 18% from 1 April 2020.

In the Budget on 16th March 2016 it was announced that the corporation tax rate would be reduced to 17% from 1 April 2020. This change was not substantively enacted at the balance sheet date.

15 Transition to FRS 102

This is the first year that the Company has presented its results under FRS 102. The last financial statements under the UK GAAP were for the year ended 31 March 2015. The date of transition to FRS 102 was 1 April 2015. There have been no changes in accounting policies due to the transition. As a result, there are no reconciling differences between the profit for the financial year ended 31 March 2016 and the total equity at 1 April 2015 and 31 March 2016 between UK GAAP as previously reported and FRS102.
